

# 400 MD

## ENVIRONMENT & PEOPLE SAFE ALL-PURPOSE CLEANER & DEGREASER

Formulated to provide a safer more environmentally preferable alternative without sacrificing performance. This highly concentrated, versatile cleaner is formulated to take on a wide range of cleaning jobs. It is able to quickly power off even stubborn soils and greases from any surface not harmed by water. Dilute it for use in a pail with a sponge, in spray bottles, in mop buckets, floor scrubbers or pressure washers.

### FEATURES & BENEFITS

Unique characteristics of 400 MD make this a superior cleaner & degreaser. These characteristics include:

- Concentrated product:
  - Reduces freight, inventory, and handling costs
  - Use less product to achieve better results
- pH of 8-9 is safer than most other cleaners
- Does not utilize harmful cleaning chemicals
- Minimal environmental impact
- Superior cleaning performance on a variety of soils
- Leaves no dulling residue

### ENVIRONMENTALLY SAFE

400 MD is a water-based, environmentally-friendly and worker-friendly cleaner & degreaser. (See: Safety Data Sheet)
